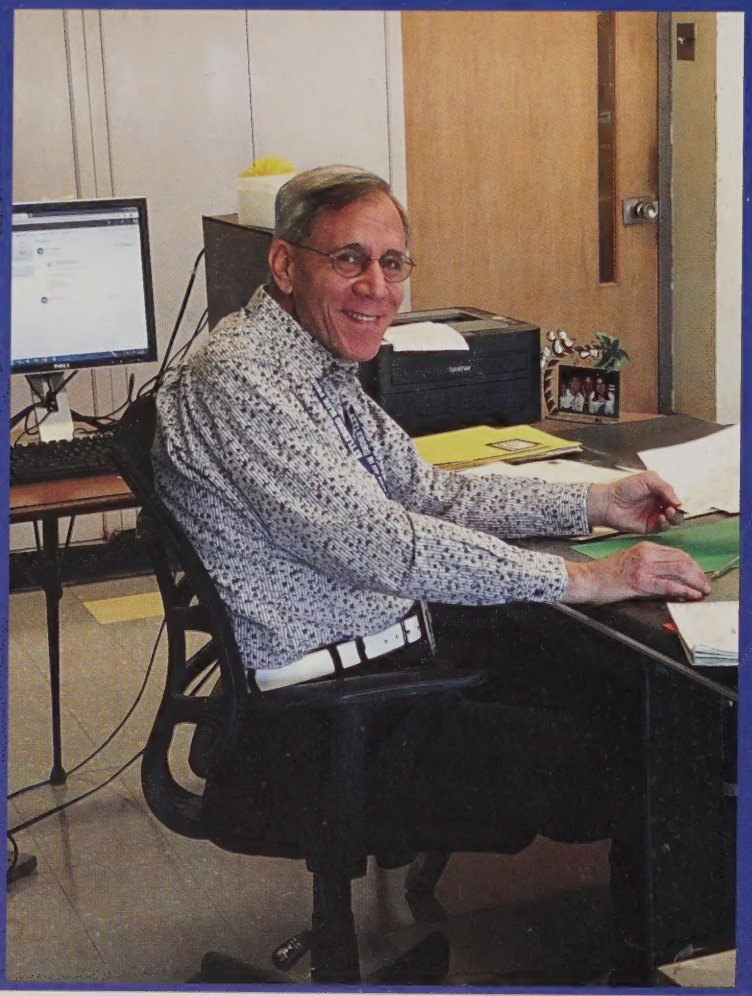
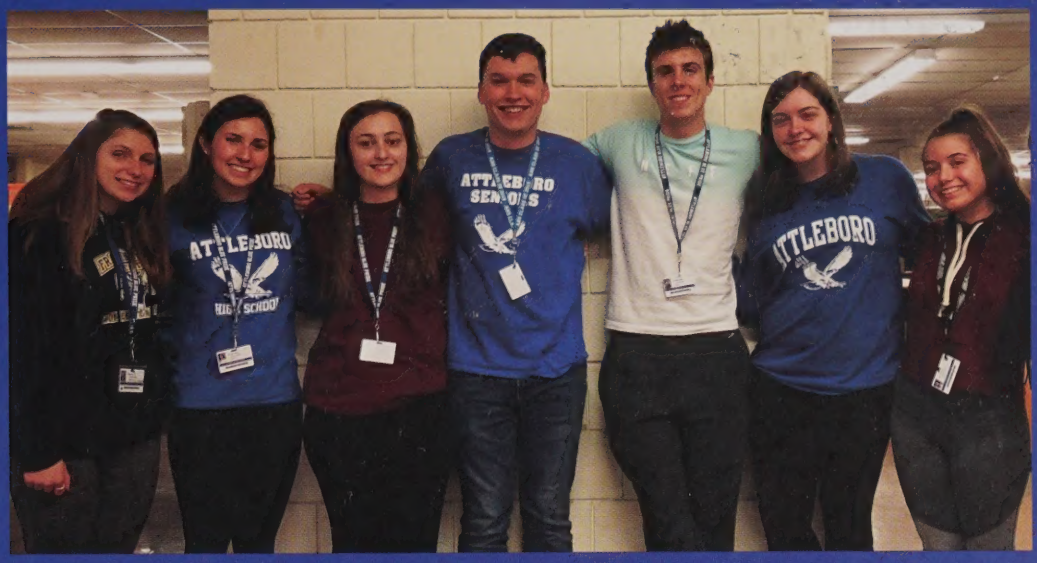
Mr. Weintraub



Thank you so much for the constant dedication you put into educating your students. Your genuine passion and love for mathematics allowed us to succeed in class. We always looked forward to seeing your mathematical t-shirts and being greeted with such optimism each day. Students and staff alike will miss your presence in the building. We all wish you a happy and relaxing retirement.

Class of 2019 Officers



Thank you so much to our class advisors Ms. Altieri and Mrs. Sawyer.

Mrs. Sawyer, thank you for stepping up this year when we needed you most. Without your help we wouldn't have been able to navigate through the many challenges of senior year.

Ms. Altieri, no words can express how much we appreciate you. Since the end of freshman year you have stuck with us through it all when nobody else would. We know you don't think it but you are the best advisor we could ask for. We love you!
